Although Safariland has attempted to provide accurate information regarding which specific holster models were designed to accommodate specifically identified handguns, human error such as typographical mistakes can and do occur. Therefore, Safariland disclaims any responsibility or liability for or the consequences resulting from such errors and urges any user of this information to personally check for holster/handgun compatibility using actual products.

**RLS NOTE:**  
The RLS will fit most handguns with standard light rails, and also Shotguns & Long Guns with Picatinny Light Rails: N/A for Handguns without Light Rails

Although Safariland has attempted to provide accurate information regarding which specific holster models were designed to accommodate specifically identified handguns, human error such as typographical mistakes can and do occur. Therefore, Safariland disclaims any responsibility or liability for or the consequences resulting from such errors and urges any user of this information to personally check for holster/handgun compatibility using actual products.
